Ninakkuzhiyan mizhichuzhiyil
Chirithari kande

Aduthoru naalakevil
Ulungiya premo kanavan
Ninakkarnaal nirapidiye
Kanivalaavalle

En iralillellam nee poville
Nee kalariyil povalle
Ne kanavukalayi kannilundaave

Nerangal thigayunnatheyilla
Raavonnu mariyunnatheyille
Nee cherum vazhiyake
Doorangal cheruthavumo

Anudhinam anudhinam nirayumi moham
Pathiye thala thirinjuruluvi lokham
Aashakalaayiram chirakukal virivi

Kankuzhalaale nee innale
Ennullake theeyuthiyo
En melaake devaa neeyariyo

Ninakkudan madithanlaayi
Ninakkiravil kadakkavalayi
Ninakkuzhiyan mizhichuzhiyil
Chirithari kande

En kathaake nee cholliyo
En kaalangalaayi kaathatho

En aazhangal mindaathe nee thottatho.
