En vanmathiye en vaazhvin thunaiye  
Unnai kann pol kaappene  
En poovizhiye eppodhum unnaiye  
En nenjil serppene

Unai kaanamal kangal thoongaadhu  
Thunai serndhaai ennodu  
Enakkena thaaiyai vandhu  
Anaithidum tharam neeye  
En uyire needhaane

Varamaai vandhaai en inai neeyadi  
Vaazhnaal muzhudhum naan un thaai madi  
Varamaai vandhaai en inai neeyadi  
Vaazhnaal muzhudhum naan un thaai madi

Dhinam dhinam un kooda pesi sirikkanum  
Un kural kette naalum rasikkanum  
Un mugam paarthe ezhundhida venum  
Un viral korthe dhooram nadakkanum

Un thala kodhi muthangal thandhu  
Un nizhalaaga serndhu irukkanum

Unai kaanamal kangal thoongaadhu  
Thunai serndhaai ennodu  
Enakkena thaaiyai vandhu
