---

Enduko emo thulli thirigenu manase  
Pichhi parugulu theese vellivirisenu vayase  
Enduko emo gunde dharuvulu vese  
Konte thalupulu thoche pongi poralenu aase

Edho gajibijigaa gajibijigaa kanipinche roopam  
Repo dhari kanani dhari kanani theeram  
Edho gajibijigaa gajibijigaa kanipinche roopam  
Roju thadabaduthu velige ee udayam

Enduko emo kanta merupulu merise  
Cheli dhooramayye varase  
Reyi kalaluga virise

Enduko emo rekkaledhalaku moliche  
Chinni gundenedho tholiche  
Ontariga nanu vidiche

Edho gajibijigaa gajibijigaa kanipinche roopam  
Repo dhari kanani dhari kanani theeram  
Edho gajibijigaa gajibijigaa kanipinche roopam  
Roju thadabaduthu velige udayam

Nuvvu nenu oka yanthrama  
Kaalam nadipe oo mahimaa premaa

Muddhulidina oopiri segalu  
Thagili ragili chedipothunnaa  
Chentha nuvvu nilabadagaane  
Ninnu vidichi parigeduthunnaa

Sameepaani kochhaavante gundello thoofane  
Alaa nannu rammannaavaa allaadi pothaane  
Navvultho champe maaye chaalle

Enduko emo gunde dharuvulu vese  
Konte thalupulu thoche pongi poralenu aase

Nuvvu nenu oka yanthrama  
Kaalam nadipe oo mahimaa premaa
