

Endhuku E Prema Naalo Putindhi Song Lyrics

Endhuku e prema naalo putindhi
Nee raakathoti na manasu virigipoinchi
Na letha manasulo pedha mantalu putinchi
Velipoindhiga naaku narakam chupinchi

Dhanemma adhi nannu vadhilesi
Velipoindhi gunde kosesi
Dhaani dhonga premanu chupinchi
Mosam chesindhi aa rakshasi

Dhanemma adhi nannu vadhilesi
Velipoindhi gunde kosesi
Dhaani dhonga premanu chupinchi
Mosam chesindhi aa rakshasi

Premalo padadam neram kaadhu
Preminchadam thappa nakem raadhu
Naa la lover dhorakadam nuvante naaku
Chaala ishtam swacha maina prema kosam
Vethika vethika desam motha
Preyasi nannu chesanu mosam
Love cheste nuvvu sarva nasanam

Love love love love love anteney evare babu
Chiariki gelichanu nee babu

Priyudini papam pentalo vestaru
Endhira babu ammaila gola
Abbailem pichola memu
Kapala kaastam kukala meeru
Gothulu thovu tharu thodelula

Prema oh prema

Endhama nakee karma

E loveu drama no ma prema

Endhuku e prema naalo putindhi
Nee raakathoti na manasu virigipoindhi
Na letha manasulo pedha mantalu putinchi
Velipoindhiga naaku narakam chupinchi

Dhanemma adhi nannu vadhilesi
Velipoindhi gunde kosesi
Dhaani dhonga premanu chupinchi
