

Engeyum Eppothum Lyrics

We are gonna bring back
A classic sorta
Fine kannathazan sp spb
Pollathavan bad boys

Gimme go go go
Tamil nadum get on tonight
While in the wro wro wro
Your gonna hold me so tight
Gimme go go go
Tamil nadum get on tonight
While in the wro wro wro
Your gonna hold me so tight

Cos we will be new in so white
And make you scream and take flight
Come come again come come again come
Tharumaara irukuthuappa

Engayum anywhere
Eppothum anytime
Sangeetham we got music
Santhosham lets get hot

Raathirigal all the nights
Vanthuvittal when they come
Saathirangal we break loose
Oodividum show me show me

Kattazagup pennirukku
Vattamidum paattirukku
Thotta idam aththanaiyum
Inbamindri thunbamillai
Rararare hae hae oh

Bring it on
Bring it on dont stop
Ennakae ennaka puranthal

Isaippoma
 Maithili kutti todha
 Sudah annechippa
 En jaana mothi mothi ne ukkara
 Neruppa aagi pogum
 Ne vaa pulla

Irumbhu kuthirai unmeedhu yeri
 Engaiyum eppothum
 Iguess we gotta be speedo
 Do you wanna be next to hero
 Ini sagalamum unakkae saccharam ila

Ini maccini macchena
 Vaa ne pogalaam pulla
 Ottigam sooke ecchari viide
 Kadaichachi Kai kaase
 Kadakaaran moongil yeri sei

Engayum anywhere
 Eppothum anytime
 Sangeetham we got music
 Santhosham lets get hot

 Take ya dress and take me above
 And its there and guiding somewhere
 And I'm gonna speak it in love
