

Enna Elavu Kathal Song Lyrics

Enna elavu kaadhal
Intha paadu paduththudhu
Koodi vaazhdha kudumbaththaiyae
Nadu theruvula niruththudhu

Enna elavu kaadhal
Intha paadu paduththudhu
Koodi vaazhdha kudumbaththaiyae
Nadu theruvula niruththudhu

Seththu vacha konja nanja
Peraiyellam kedukkuthu
Serntu vaazha police station
Thaaliyoda ooduthu

Kaadhal paduththum paadu
Antha kadavulukka velitcham
Karumam pudicha kaadhal
Antha karapatthaiyum kalaikkum

Vaayakkatti vayiththakatti
Padam padikka vatchaa
Notubooka ooramkatti
Face book la layitcha

Anga enga alatti katti
Selfie onna potta
Thedivantha rasikanaththan
Rakasiyama anaichchaa

Ennaaththuku lovvu
Isthukkinnu ooduthu
Mandaikulla bulpu
Kalar kalara eriyuthu

Enna elavu kaadhal
Intha paadu paduththudhu
Koodi vaazhdha kudumbaththaiyae
Nadu theruvula niruththudhu

Onnu illai rendu illai
Naalu figara pudichaan
Naalu peru manasukullum
Duet paadi nadichchaan

Anga inga room'a pottu
Aattam aadi mudichan
Appanaththa asaipatta
Thirumanathula kudichan

Ennaaththuku lovvu
Isthukkinnu ooduthu
Mandaikulla bulpu
Kalar kalara eriyuthu

Enna elavu kaadhal
Intha paadu paduththudhu
Koodi vaazhndha kudumbaththaiyae
Nadu theruvula niruththudhu

Seththu vacha konja nanja
Peraiyellam kedukkuthu
Serntu vaazha police station
