

Enna Nadakudhu Song Lyrics

Enna nadakkuthu saami
Onnum puriyala saami
Enna nadakkuthu saami
Onnum puriyala saami

Payanam irukkuthu
Paathai illaye
Ada paathai kidaichathum
Maranam illaye

Kaayam patturuchu
Kanneerum sutturuchu
Valikkum marunthumilla
Vedhana theeravilla

Enna nadakkuthu saami
Onnum puriyala saami

Siraginai virithen
Agaayathai kaanavillai
Aadhaayam ini verum kanavo

Mann meethu nadanthitten
Suvadinaid thedigiren
Porunthaatha paatham ithu enathaa
Ethanai thedi alaigiren
Ethanai thanthaay thavikkiren

Kadakkum nodigalai
Valiyinaal unarnthen
Thavikkum manathinai
Nee thara nee thara erkindren

Vidiyaatha pozhuthundo
Vidiyalai vidiyalai ketkindren
Thenbam pothuyenil
Yaar tholil yaar than saaya

Payanam irukkuthu
Paathai illaye
Ada paathai kidaichathum
Maranam illaye

Kaayam patturuchu
