

Enna Sugam Lyrics

Enna sugam enna sugam ulla
Ithana naal engirundha pulla
Irula thedum velakilla
Oliyaa vandha enakulla

Unna mattum vechiruken ulla
Un mogam dhaan yen usurin ella
Vayasum thathi thathi thulla
Orava kathi kathi solla

Poratti pottu adikkudhey
Puzhudhi kaathu pudikkudhey
Manasu kedandhu thavikkudhey
Mayakam theliya marukkudhey

Paadhi vaazhkka vaazhuren
Un kaadhalaala meeluren

Enna sugam enna sugam ulla
Unnakunu kaathirundha pulla
Un madiyil saanjirundha
Adhuvey thani varam

Un thonayil naanirundha
Kudisayum goburam
Unakunu vaazhanum
Usuraa thaanganum
Irrukum varayila
Unakaaga yenganum

Kannukku kanna un nesam
