---

Eppudaina nee roopam nuvu  
Choodalante cheppamma  
Achchamga ithagadalle untundamma o prema  
Anninta nee theere adugadugu nee jore  
Gundello godare ponge bhavama

Ventade parichayamo  
Vetade parimalamo  
Mounamtho matade  
Manthrala mari mahimo

Arere entha premo  
Adi em pichi thanamo  
Peraithe veraina aa rendu okkatemo

Eppudaina nee roopam nuvu  
Choodalante cheppamma  
Achchamga ithagadalle untundamma o prema

Chinukanthaina chiru chemata  
Chemaresthunte na nudhuta  
Sooryudine kasiresthadata...

Thuppara padina napaina  
Na sukumaram kandenata  
Puvvulatho kalahisthadata....

Kalisochina tholivaramo  
Kanipinchani kalavaramo  
Shruthi minchina ragamulo  
O havanamo....

Thanu na kanti merupo  
Kalige adha marupo  
Thanakaina thelisela  
A dhentha konte thanamo....

Arere entha premo
