

# Ethikkum Song Lyrics

---

Damn these evening skies  
Make my desires dry  
Feelings like fire flies  
Can't you see it in my eyes

Damn these evening skies  
Make my desires dry  
Feelings like fire flies  
Can't you see it in my eyes

Maalai neram mayakkam  
Thevai illai thayakkam  
Hey there looking handsome  
Minsara kanave it's your birthday

Ethikkum namthikkendru povom sernthu  
Bhakthikul mukthikkum idhu paadhai endru  
Othikke vaithukkul methaikkul pothikkol  
Shakthikkul suththa seivam naanum neeyum

Othaikku othai than vithaikkul vithai than  
Thathaikkul vekkam illai vaa vaa vazhvom

Muththam endral moththam  
Inge saththam vandhal i don't really care  
Aththai penna illai illai  
Aththan enbe won't you come closer to me

Ethikkum namthikkendru povom sernthu  
Bhakthikul mukthikkum idhu paadhai endru  
Othikke vaithukkul methaikkul pothikkol  
Shakthikkul suththa seivam naanum neeyum

Do yo want me?  
Hey, sollu yes no or maybe  
Konjum chill pannu baby  
Yosikadhe don't be crazy  
Kitta vaa and take it easy

Wanna break the buttons off your shirt  
I'm a little rough but it won't hurt  
Unakkaga edho oru thirst, thayangadhe

Don't make me burst

You know my lips  
Yeah they like to kiss  
You know my hips  
Not a beat we miss

Put your hands on me  
And let's get it on in  
One two three let's go

It's your birthday  
It's your birthday  
It's your birthday  
It's your birthday

Uravai irundhom thaniye  
Unarvai magizhvom iniye  
Unakkum enakkum pazhaya kanakku  
Indraikku thodakkam pudhiya vazhakku  
Anaikkum anaippil pudhumai pirakkum

Pazhaga pazhaga varum ullasame  
Thazhuva thazhuva varum sandhoshame  
Padukkai araikkul idhu pandhatame  
Pazhangal malargal tharum poonthotame

Edho ondru inge vandhu  
Edukka solla pidithu kollum nerame  
Nerame...nerame...nerame

Make me go oh oh  
Wanna do oh oh  
Make me feel oh oh  
Just us 2 oh oh

Make me go oh oh  
Wanna do oh oh  
Baby take it easy  
Baby take it easy  
Light and breezy

Baby take it easy  
Light and breezy  
Give it to me  
Give it to me  
Give it to me
