

Evare Nuvve Lyrics

Evare nuvve naakemavuthave
Adhi adhigelope manase dhochave
Veluge leni needai nenunte
Naa yedhalokocchi rangulu poosave

Paruvamlona prema poorinchave
Hrudayam lona poolu puyinchave
Pranamlo aanandam penchave

Chandamamave nuv chandamamave
Naa cheekati lokam lo
Challagaalive nuv challagaalive
Naa vesavi daarullo

Chentha cherave naa chentha cherave
Inkenthani adagalo
Neekosam chotundhe gundello

Evare nuvve naakemavuthave
Adhi adhigelope manase dhochave

Ninne kalisaake nene, navve kalisindhe nanne
Nuvve ika praanam naake nanne vidipoke
Varamai varinchene nee jathe
Dhigulai thalonchenu chedhu raathe

Pedhavulu thodagani nagavula naga nuvva
Thalapuni thadipina tholakari chinukuva
Alisina manasuni kadhipina alajadiva

Chandamamave nuv chandamamave
