

One two three four every body go
Gaye ja gaye ja its okay its okay
There its okay its okay
There its okay its okay
Gaye ja gaye ja its okay its okay

Are aaja aaja in baho me
Dil ki aag bujhane de yar
Aanhko aanhko me hi mujhko
Thodi or pilade mere yar
Yar yar ye ye ye ye yar
Ha ha ha ha ha

There its okay its okay
There its okay its okay
Gaye ja gaye ja its okay its okay

Hai ye dunia aani jani
Gao mauj udao ha ha ha
Jage dunia aaye jawani
Nacho rang jamao ha ha ha
Yar ya ya ye ye ye yar
