

Everybody get your hands together
Put your hands together de taali
Everybody get your hands together
Put your hands together de taali

Mil gayi hai aaj aankhon se aankh
To phir to yaar de taali
Party boys and girls
All around the world
Baath chale koi yaar mila
To haath mila de taali

Everybody get your hands together
Put your hands together de taali
Everybody get your hands together
Put your hands together de taali

Mil gayi hai aaj aankhon se aankh
To phir to yaar de taali
Party boys and girls
All around the world
Baath chale koi yaar mila
To haath mila de taali

De de taali de
De taali de
De taali de
De taali de taali

Behka samaa cause we got this funky group
Badli hawa and we re gonna make you move
Dhadkan chal ne lagi mein pighal ne lagi
Taali baji jaisi bin gaaye khawaali
De taali de de taali de de taali de de taali

Dil ne kahan now listen to the beat
Tu hai yahan so i can feel the heat
Aisa pal phir kahan jis me saara jahaan
Ujhla ho aise ke har din ho diwaali

Everybody get your hands together

Put your hands together de taali
Everybody get your hands together
Put your hands together de taali

Jod gayi hai aaj aankhon se aankh
To phir to yaar de taali
Party boys and girls
All around the world
Baath chale koi yaar mila
To haath mila de taali
Party boys and girls all around the world

Baath chale koi yaar mila tho
Baath chale koi yaar mila tho

Haath mila de taali
Everybody get your hands together
Put your hands together de taali

Mil gayi hai aaj aankhon se aankh
To phir to yaar de taali
