

Face 2 Face Lyrics

Ni pith utte bolde
Lukk-lukk kinne munh kholde
Pairan vich vekhin jatt rolde
Saamne oye aaun taan zara kite takkran taan

Aakdan ne jatt bhaal de
Ugriyaan bauhtian na jhall de
Khud nu jo vadh rehnde mannde
Saamne oye aaun taan zara kite takkran taan

Ikk yaar mera modhe utte daang rakhda
Oh na bauhta bole siddha jhand rakhda
Ni mainu je koi tedha-tedha vekh je kude
Ni oh te phir gaya oh na bach sakda

Utthon paara tere yaar da vi rehnda chadheya

Shalaaruyan nu assi kade vi na jareya
Oh jattan vaangu munh de utte gall karidi
Ni oh rehnde andare aa ves gholde

Ni pith utte bolde
Lukk-lukk kinne munh kholde
Pairan vich vekhin jatt rolde
Saamne oye aaun taan zara kite takkran taan

Ho phoki phook 'ch ghumde
Ho vekhan nu edan lagge
Chaabi ghuma ke jiven baandar aa hunde chhadde
Negative rehna kalli ehna di achievement
Juttiyaan de yaaran da taan ikko hi treatment

Saade te scheme na koi
Saadi life par ohna di dream aa ni
Ho phirde jo saade naal mukaable di bhaal'ch
Oh beh jaane aa tik ke ho machhar na hau

Ni pith utte bolde
Lukk-lukk kinne munh kholde

Pairan vich vekhin jatt rolde
Saamne oye aaun taan zara kite takkran taan

Aakdan ne jatt bhaal de
Ugriyaan bauhtiyan na jhall de
Khud nu jo vadh rehnde mannde
Saamne oye aaun taan zara kite takkran taan
