

Facetime Song Lyrics

Ava kannadicha kannadicha
Ennai paarthu ippo yen siricha
Hai nee nenacha ennai nenacha
Vazhthuduvuven ippo un nenappa

Ava kannadicha kannadicha
Ennai paarthu ippo yen siricha
Hai nee nenacha ennai nenacha
Vazhthuduvuven ippo un nenappa

Ada facetime-la first time
Naan unnai paarthane
Adi illathathum pollathathum
Kadhal achi idhu

Nee munnala poo
Pinnala naan odi vaarane
Adi unnala than
En manasu thannala than

You be my sunshine
And I'll be your moon
I'm hang up a phone now
And I'll see you soon
