

# Fade Lyrics

---

Dard se bhari meri ye kahani hai  
Na baat kerni na tujh ko sunani  
Sochoon kabhi mein ye kis se kahoon  
Aata nahi mere dil ko sukoon

Dunya jhooti dunya vale hain fake  
Unke baare mein hai mera ye take  
I don't care what you think  
What your emotions are

Kaisay kare yahaan koi survive  
Har koi samajhta hai apne ko wise  
Baatein hi baatein hain  
Bas saari baatein hain  
Andar se khokhle ik dooje ko rokthe

Kyun nahin ye apne aap ko tokte  
Aati hai kyun in pe mujh ko hansii  
Phirte hain dunya mein jaisay azaad hain  
Par apne ander hain sab slave

Fade  
I'm walking out the way  
I don't want me to stay  
'cause you're gonna drive me crazy

Hide  
Off you go slide  
Bharatlyrics.com  
Can't do no more i tried  
'cause you're gonna drive me crazy

Jo man mein aata hai main kerta hoon  
Akailay mein dunya se larta hoon  
Jab tak na ho usmein gehraayi  
Woh baat kabhi main na kerta hoon

Jo shikway tum kerti ho mujh se  
Gila mera wohi hai tujh se

Ik lafz main ne bola na us din  
Jab milne gayi thee tum us se

Jab karti thi flirt main hota tha hurt  
Don't you think i remember har ik wo word  
I loved you from dawn har subha har morning  
Doston ne dee tere baare mein warning  
But i was so stupid took you as a cupid  
I don't know why i was so keen on falling in love

Fade  
I'm walking out the way  
I don't want me to stay  
'cause you're gonna drive me crazy

Hide  
Off you go slide  
Can't do no more i tried  
'cause you're gonna drive me crazy

Chalo khatam karein saari baatein  
Jaagoon mein aur kitne raatein  
Thak sa gaya hoon ab jaane do  
Aakhri aansoo beh jaane do

Thak sa gaya hoon ab jaane do  
Aakhri aansoo beh jaane do  
I don't wanna stick around  
It's me that i still haven't found

Qisse kahaaniyaan ye man maaniyan  
Dil mein jo bacha hai uski nishaaniyan  
Le ke chala hoon keh ik din mil jaaon mein usse  
Jo mera hai asal jo mujhe hai haasil

Jis ko mein jaan ke bhi nahin jaanta  
Andar maan ke bhi nahin maanta  
Kaisi confusion mein phansa sa gaya hoon  
Sawaalon ke duldul mein dhass sa gaya hoon

Nikaalo koi mujh ko sambhaalo koi mujh ko

Main thak sa gaya hoon aur chup ho gaya hoon  
Main thak sa gaya hoon aur chup ho gaya hoon  
Main thak sa gaya hoon aur chup ho gaya hoon  
Main thak sa gaya hoon aur chup ho gaya hoon
