

Raahe jo roke raaho ko,  
Unko mitaane chal diye  
Bikhre gham ke andhero ko,  
Hum to jalaane chal diye  
Chhid ke khushiyo ko  
Apna banaane chale  
Faisla tera ae khuda  
Ab hum badalne chale  
Dekh soch le ae khuda  
Hum tujhse ladne chale  
Faisla tera ae khuda  
Ab hum badalne chale  
Dekh soch le ae khuda  
Hum tujhse ladne chale

Jitni chahe likh de buri takdir tu meri  
Puri na honi dungi hasrat main teri  
Jitni chahe likh de buri takdir tu meri  
Puri na honi dungi hasrat main teri

Dekh ke andekha karna aadat hai teri  
Apni sharto pe jina  
Ab toh zid hai meri meri  
Faisla tera ae khuda  
Ab hum badalne chale  
Dekh soch le ae khuda  
Hum tujhse ladne chale

Maana ke kismat mein hai kaali raat andheri  
Maana us suraj se chhidi hai jung meri  
De khuda de de tu jo bhi tohmat hai teri  
Tujhse hissa le lungi aisi had hai meri  
Faisla tera ae khuda  
Ab hum badalne chale  
Dekh soch le ae khuda  
Hum tujhse ladne chale  
Faisla tera ae khuda  
Ab hum badalne chale  
Dekh soch le ae khuda  
Hum tujhse ladne chale.
