

Fake Ones Song Lyrics

Janu na kon mera dost kon mera bhai
Kon ya fir fake once
Angare chhule mein seene mein
Jigra hai barse jab khuda ki rehmat

Kaafi hai bhai ye barish nahi aandhi hai bhai
Sab kuch salamat hai jisse main sehmat
Dil me sukoon hai mastak me shanti hai bhai

Mausam se badle yahan log
Is zameen pe kuch bhi na real hai
Sabke sab nakli hai hai dost
Sb kucch illusion hai kuch bhi na asli dost
Ye sab nakli hai dost

Ho bachhan de bahut par kuch ni ukhadele
Sceen mein pahuch se upar hai use bas darte hai
Ham neeche na kisi ka khauf hai
Energy level on top hai

Zindagi mauj mein karte ham shows pe mauz
Par kuch nahi hai random bahot hai option
Tu na mera pros ki na mera bhai tu na mera dost hai
Mausam se badle yahan log
Mausam se badle yahan log

Janu na kon mera dost kon mera bhai
Kon ya fir fake once
Angare chhule mein seene mein
Jigra hai barse jab khuda ki rehmat

Kaafi hai bhai ye barish nahi aandhi hai bhai
Sab kuch salamat hai jisse main sehmat
Dil me sukoon hai mastak me shanti hai bhai

Janu na kon mera dost kon mera bhai
Kon ya fir fake once
Angare chhule mein seene mein
Jigra hai barse jab khuda ki rehmat

Kaafi hai bhai ye barish nahi aandhi hai bhai
Sab kuch salamat hai jisse main sehmat
Dil me sukoon hai mastak me shanti hai bhai

Main janu kon mera dost
Pehchan ke to bahot sare bhai
Main janu kya bolte log
Darwaze ke piche wo kya hai

Na hota hai dard ab mehsoos
Kisi ko nahi dega fir mauka main
Mauka main fooka mein fooka off course
Dooba fir dooba in gaano me yeah

Chali meri pen tabhi everybody notice
Gali se main nahi lekin kya bolti public
Tabadtod lafde apan log hasti
Karte nai masti ye main asli bi*ch

Bhai bole naam ke liye jante nahi matlab shit
Kaiko main jaan dalu kispe
Jab usko na rishte ki kuch thi kadar kabhi

Too much dance 2 milli cash
So many friends yeah i'm blassed
Chhu mere pair don't relly care
Too many plan yeah i'm next

Bole mujhe next up baby i'm monster
Smoking like a roaster yeah yeah

Kaafi hai bhai kaafi hai bhai
Fark nahi duniya kya chahti hai bhai
Dil mein sukoon hai jabse main gira hoon
Sajde me mastak me sahnti hai bhai

Kon kya soche mujhe fark nahi
Mere apno ko maloom main kya hu
Khudko pehchanu nahi jo tha main 6 maheene pehle
Badla main bilkul naya hu

Janu na kon mera dost kon mera bhai
Kon ya fir fake once
Par janu main kon mera day one
Pehchanu in aankhon mein rayban

Ki vison mera kya hai
Heal kare gaane mere toote huye khwab ki dawa hai
Bade mere khwab kya pura kara maine use
Dekh beta duniya gawah hai

Life jaisa aaj hai waisa roz nahi tha
Dost bane bane mere close nahi tha
Views aane lage tab par shows nahi tha
Par dil me kabhi afsoos nahi tha ki

Sabko hai mil raha par mera kya shot
Maloom tha ek din haan sab hua short
Kisi par bharosa nahi bacha ab life me
That's why i putt i trust on my lord

Janu na kon mera dost kon mera bhai
Kon ya fir fake once
Angare chhule mein seene mein
Jigra hai barse jab khuda ki rehmat

Kaafi hai bhai ye barish nahi aandhi hai bhai
Sab kuch salamat hai jisse main sehmat
Dil me sukoon hai mastak me shanti hai bhai

Janu na kon mera dost kon mera bhai
Kon ya fir fake once
Angare chhule mein seene mein
Jigra hai barse jab khuda ki rehmat

Kaafi hai bhai ye barish nahi aandhi hai bhai
Sab kuch salamat hai jisse main sehmat
Dil me sukoon hai mastak me shanti hai bhai
