Aayu russia ton fauj hona yudh jiddne
Khoon naal ghoreyan de pour bhijjne
Vidhi da vidhaan kehda taalu kalnu
Sees sidhe hongey guraan de vall nu

Yodheya nu dhuro jadon haaka vajjiyan
Tanka vangu aungiya range aan laddiya
Degh tegh fateh da jaikaara gunjuga
Sikh raaj dekheyo dbaara gunjuga

Dj aan te santaan di speech chalugi
Rani jinda chithiyan dbaare ghallugi
Ladhi fer dulla jammu taahli naalda
Hoyu jathedaar phoola seyon akalli naalda

Kamm laye jaangey kanoon sakht ton
Dand ditte jaangey akal takht ton
Kalyug vahno vaahni doud jauga
Jaffi poun jagrawa nu lahore ayuga

Hikk thok kehne a sure ayuga
Dahdeyan dmalleyan da dor aauga
Dahdeyan dmalleyan da dor aauga
Dahdeyan dmalleyan da dor aauga

Murh parne te pagga dihniyaa panjab nu
Har dhoun jhukugi nishaan sahib nu
