

F*ck What They Say Lyrics

Fu*k what they say aur kya hai vishay
I am on my way to fu*k this game
Fu*k what they say aur kya hai vishay
I am on my way to fu*k this game

Main hu rocky el dorado kalakaro ka picasso
Mexico se aaya koka shawty kehti check kara do
Dedo mauqa yaad dila do
Woh rehti pune gayi milano
Use town mein pehle nahi dekha
Hase door se khadi gulaabo

Main bhi eight figure wonder only killer
Acre mein ghar le raha spare pada bigha
Bighe mein hai gaadi gaadi mein kaafila
We livin everyday

I mean look at me I am 6'3"
Tall dark and handsome naa paiso ki kami
Blanko lagaya teri shawty ho gayi
Tu maan ya naa maan par woh ab se meri

Ab kahenge ke duniya aisa ni chalti
Jo maine chaladi toh bolo kiski galti
Wo paani mein bhi jaaye toh bhi shola lagti
Toh kyu naa haath jale

F*ck what they say aur kya hai vishay
I am on my way to fu*k this game
F*ck what they say aur kya hai vishay
I am on my way to f*ck this game

Dekh meri life
Lavish jee raha bhai tera gale mein hai ice
Haters mere lu*d pe photo pe hai like
Lavish jee raha bhai tera gale mein hai ice
Lavish jee raha bhai tera gale mein

Bhalte ke wajah se lagi dalindri

Meri maadhi mereko badach ka biti de rahi
Amg with hood mein maaru gedi
Meri **

Chalti gaadi mein woh mera choco le rahi
Woh dikhti same to same katy perry
Likhta hu mai aisa ye log karna maangte relate
Tu aur tera homie tum dono ka hai wicket

Ek maadhi mereko bas ho gayi nako mereko bitches
Ek haath mein rolex hai dusre haath mein patek
Flip karta money bhai black money safed
Hater log ka fayda ni jhadta ni comment
Gaa*d jalti logo ki mai aur daalta rocket
Half quarter khaali kari half meri girlfriend

Log dhundh rahe meri weakness tu ho gayela maam useless
Tune bana diya heartless maine bitha diya market
Seedha aladdin ka carpet nahi gaali sunte maa pe
Sirf dete idhar chaapte apne bache log sab fast hai

Ek joint he pan last aahe apne akh kya dekh blast hai
Ye generation lost hai mutton ka shop hai
Kharjula opp hai phir kyu naa gaa*d jale

F*ck what they say aur kya hai vishay
I am on my way to fu*k this game
F*ck what they say aur kya hai vishay
I am on my way to f*ck this game

Gunehgaari kshetra
You already know what it is
This is your rocco baby

Baato ki chod ni kheenchenge
Chaapad kyuki beta hum tere jaise hi
Yahaan koi vote ni mera hai shaasan
Dunga gaanv choto ki waise hi
Jo school on ke chhod ke baste chalate the
Ghar kyuki ghar pe the paise nahi
Wahi pe gucci pehenke kaat raha suar

Mujhse leta gujji ke paise nahi
Whoo

Ye sabki hai win I am not alone
Committed sins kanch ka karpet bi*ch
I am alone walking in
Youtube ke rapper ne jis din kiya mujhe
Khaali baithe yu hi bewajah diss
Ussi din ghusa baitha raja
Under 30 asians forbes ki list

I dont mean to disrespect but my friends the gap is big
I dont want to diss anyone
Cause my friend the stack is thick
The story is not about whos worst or whos best in it
It is all about rags and rich its all about food and splits

Kabhi bhaari banda ni bolta
Dekhe zamana jo bolta kaam
Kabhi bhaari banda ni chidhta

Sabse rakhta dua salaam
Mera zameer nahi kehta baato
Ki belt se kheench du khaal
Par stanny in sabki maa chod daal

Tune style mera dhaapa tereko chowk mein diya tha laafa
Bolna chahta likh nahi paata
Baja tu dhol mai bajata taasha
Nashik dhol var aai zavto
Mi road vai ghal mein ghal to chokar
Bhau la phone kar kaun hai sponsor
Ho gaye the jhagde ho gaya conquer maarke quarter hood ki
Chal raha offer hip hop proper album drop kar gaana pause kar
Tere paas air force mere paas poori force drip when I walk
Diss karta mereko baap ko tu bhool gayela matlab tu bhench*d

Main sunta young thug aur tu sunta justin bieber
808 aise daala phat gaye inke speaker
Pyaar agar karta toh phir sabke saamne kiss kar
Fame nahi mil raha bole stan ko mama diss kar

Chele tumhe khud ko malum kya vishay
Kya nahi company on gang motherfu*kers
O king bhai watao in log ko
Ye nikamme laude in log ka kya vishay
