Kallaare chedu saahasam

Jagadapu daarilo  
Mundadugaina senaani  
Jadupunu nerpagaa  
Adupuna aape sainyaanni

Dooke dhairyama jaagratra  
Raake tegabadi raake  
Devara mungita nuvventa  
Daakove

Kaalam tadabadene  
Ponge keratamulaagene  
Praanam parugulayye  
Kalugullo doorene

lyrics

Jagatiki chetu cheyanela  
Devara vetukandanela  
Padame kadamai digite phela phela

Kanulaku kaanaraani lila  
Kadaliki kaapayyindivela  
Vidhike edurai velite vila vilaa

Alalayye erupu nille  
Aa kaallanu kadigera  
Pralayamai atadi raake  
Dada dada dada dandoraa

Devara mauname  
Savarana leni hecharika  
Ragilina kopame  
Mrtyuvukaina muchemataduke

Dhairiyama jagratha  
Raake tegabadi raake  
Devara mungita nuvventa  
Daakove

Kaalam tadabadene  
Ponge keratamulaagene  
Praanam parugulayye  
Kalugullo doorene

Dooke dhairiyamaa jagratha  
Raake tegabadi raake  
Devata mungita nuvventa daakove
