

Come on yeah
Come on is like that
Feel feel feel that
Keep ki ki keep that
Did di di did that

Feel feel feel bad

Chalte chalte lagta aise kuchh
Ho gaya to the brief love
Baaton baaton mein
Ye dekho kya ho gaya

Chalte chalte lagta aise kuchh
Ho gaya kuchh ho gaya
Baaton baaton mein
Ye dekho kya ho gaya

Ais kyon mujhko
Hone laga hai
Na jaane kaisa
Naya sa nasha hai
Kyun ho raha hai
Na jaanu kya hai
Dil kyon ye mera
Kyun tera hua hai

Feeling love in sydney
Come fall in love with sydney
Kuchh aisa ho hi jaaye
Just you and me in sydney
Feeling love in sydney
Come fall in love with sydney
Kuchh aisa ho hi jaaye
Just you and me in sydney

Mauke se beheka beheka
Dil ye bechara teri baaton mein
O aise hi mehka mehka
Udd ke hi chala ye
Teri saanson mein

Saanson mein
Naya naya aise
Yeh silsila hai
Yeh dil ka apna toh
Phir kyon juda hai
Abhi abhi koi mila hai
Hosh yun mera
Kahan pe uda hai

Feeling love in sydney
Come fall in love with sydney
Kuchh aisa ho hi jaaye
Just you and me in sydney
Feeling love in sydney
Come fall in love with sydney
Kuchh aisa ho hi jaaye
Just you and me in sydney.
