

Fifty Enemies Lyrics

Ghum-e-jahan to kam nahi hain
Mein hu tu hai par hum nahi hain
Dil me kuch baatein pal rahi hain
Zehen me sochein chal rahi hain
Khuda ki marzi aur kya
Mera isme dakhla nahi hai
Mein samjhoon khuda ke tarike
Mujhme itni aqal nahi hai

To chal chalein
Sehi ghalat se paar kuch to hoga mere yaar
Chal chalein
Is duniya se bhargaya mera dil
To chal chalein
Sehi ghalat se paar kuch to hoga mere yaar
Chal chalein
Is duniya se bhargaya mera dil

Ab mushkil
Meri duniya se sulah
Mein sang-dil
Mein bhi mitti se bana
Mein aakhir
Hoon kisse aashna
I smoke the pain away mujhe do na dilaasa
I pop a pill
Mujhe dikhe jo mein chahoon
Mein weekend to weekend apni zindagi bitaon
Mein kabhi subah uthoon tou kuch yaad he na ho
Phir mujhe yaad aye ke mein mr. Most streamed
Leke betha memories
Glass may hai hennessy
Woke up at the top again
Neechay fifty fuckin enemies

Fifty enemies
Fifty enemies
Fifty enemies
Fifty fuckin enemies

Yeah
It's mafia like we're genovese
Chandelier haiga centerpiece

lyrics

Top floor toun mein vekhda samandar
Hath ich jaam menu chummay k-town breeze
Life on edge aithay pata veeray kal da nai
Fastlane 160 thallay chaalda nai
Tuaadi sound mere aali vich gal saari khaali
Know you made a hit or two par o hal taan ni
Show you things you ain't seen naal chal ta sai
Aithay dul'denay jaam veeray har paasay

Aithay money lights crowd, shorr har paasay
Fer waapis lagay kalla ohi kar jake

Chal chalein
Menu leja jithe sky is blue
Chal chalein
Vekhreya ay sab 10 saal toon
Chal chalein
I've seen it all this ain't nothin' new
Chal chalein
Why'd you never ask me how i'm doin'
Chal chalein
