

# FIR - Theme Song Lyrics

---

Yaarena yaarena ulagam ketka  
Ivan yaarena arinthida pagaivan verka  
Porkalam ivan kalam kuruthi therikka  
Nara vettai thuvunguthe

Theeyena theeyena kangal nookka  
Pira theevinai theeyinal kondru serkka  
Bharatlyrics.com  
Dhesamai dhegamaiyagi nirkka  
Ivan thavam than kalaiyuthe

Sara sara saravena theyum karano  
Thada thada thadavena paayum karano  
Viru viru viruvena theyum nalano  
Thuru thuru thuruvena nookum maranam

Do you see me fight like a gangster?  
Do you see me roar like a monster?  
Do you see me?  
Do you hear me?

Arasanin padaiyil uyir izhakkum porali  
Ariviyal valaiyil vinai thaandum vinyani  
Arupadai seiya kaathirum andha ulavan  
Nee madha pirivinai adhukke thalladum  
Manithan nee

Naan thuninjavani da  
Ennai purinjavani yaar  
Naan mirugama da  
Ennai theriyutha paar

Ivanathu mugathirai kilipavan ivano  
Irutinil uzhaividum pagazhavan magano  
Iru uyir por theeya oor udan nadano  
Ivan ivan ivan endral avan than ivano

Yaarena yaarena ulagam ketka  
Ivan yaarena arinthida pagaivan verka  
Porkalam ivan kalam kuruthi therikka  
Nara vettai thuvunguthe

Theeyena theeyena kangal nookka  
Pira theevinai theeyinal kondru serkka

Dhesamai dhegamaiyagi nirkka  
Ivan thavam than kalaiyuthe.
