

Love and lustfest  
Will make you bechain  
Bharatlyrics.com  
Yeh na poocho kyun ya when  
Fire, got to sell, got to sell,  
Sell your soul

Fire, got to sell, got to sell,  
Sell your soul  
Love and lust can make you blind  
That will play with your mind

Love is the game you play,  
Darr is the price you pay  
If you wanna grow older  
Way you got to go for it today  
Don't listen to the word they say,  
Forever is an old cliché  
Jitna karoge tum prey,  
Love is never gonna stay  
Fire, got to sell,  
Got to sell, sell your soul

BHARAT  
lyrics

Love and lustfest will  
Make you bechain  
Yeh na poocho kyun ya when  
Fire, got to sell, got to sell,  
Sell your soul  
Got to sell, got to sell,  
Sell your soul.
