

Bara saal ki umar sey hi likhey maine rhymes
 Tried hard to be in hip hop many times
 Us waqt mere rhymes mai dum nahi tha
 Par parhako tha main bohat talent kum nahi tha
 Teachers bhi thi kehtin key yeh bacha hoshiyar hai
 Apne maa piya da naam karan layi taiyar hai
 Sunna shuru kiya sab sey pehle tupac ko
 Fir snoop dogg nas eminem aur shahbaz ko
 Jee yeh tou hui baat purani
 Ab ata hun apni kahani par jo hai meri zubani
 Isey isey kehte hain hip-hop mere jani
 Zara ghor sey tu sun mere rap di rawani
 Bachey flow mera sun key tu darr jayega
 Ghabra key tu kuch bhi na kar payega
 Galti sey bhi socha karney ka tuney kuch
 Tou rap da chammat tujhko parh jaega
 Sssss....parh jaega rap da
 Chammat tujhko parh jaega
 Bola na parh jaega bete rap da
 Chammat tujhko parh jaega

Flow mera bomb, flow mera fire
 I'm insane ima take y'all higher
 Mere loki mainu kehnday rap rider
 So play this song and just blow your amplifier
 Flow mera banger flow mera bang bang
 Flow mera banger flow mera bang bang
 Flow mera banger flow mera bang bang
 Flow mera banger bang bang bang bang

Bari mehnat sey baneya hun main aj artist
 Ik din mere ganey bhi hongay on chart list
 Waise tou by profession hun it professional
 Par music upar waley da hai gift it's all natural
 Gali gali koney koney mai hain fankaar
 Kuch yo yo karain samjhain khud ko kalakaar
 Par bukhaar mainu 104 rap da han jee
 Betay tusi thand payo lassi piyo han jee
 O kaa hai key humra konu firki ley raha hai
 Par hum bhi sab nu dose lyrically deraha hai

I'm insane in the brain lyrically in the game
Jumpin outta flow what you
Know now i'm about to say
Jo bolun woh karun jo na bolun who bhi karun
Na kisi key baap sey main darun
Sun mera flow pehchan hun main kaun
Prince champ naam mera boley tou don
Naam mera boley tou don
Naam mera boley tou don
Naam mera boley tou don
Prince champ naam mera boley tou don

Flow mera bomb, flow mera fire
