

Kudiyo kudiyo kudiyo....

Fly fly fly to the blue
Blue sky then you
Spread your wings and
You live your life your way
Fly fly fly to the blue
Blue sky then you
Spread your wings and
You live your life your way
Badale kal ki kahaani,
Chhode aisi nishaani
Sab ki jubaan pe ho
Bas apani daastan
Gaaye aisa taraana
Gaaye saara jamaana
Banake sitaare chalo
Chhu le aasmaan
Toh mere sang udiyo udiyo
Ud udiyo ud ud udiyo ud ja
Udiyo udiyo ud udiyo ud udiyo
Ud udiyo udiyo ud ja aa ha
Udiyo udiyo ud udiyo ud udiyo

Phir kyun na puchhe why,
Hum kyun na kare try, socho
Haar se na dariyon dariyon,
Bas dil ki suniyo suniyo
Apani dhun pe udiyo udiyo,
Dhun pe udi udi udi udiyo

You live your life your way

Sine mein soye armaan jaga de,
 Tufaano ko gale se laga le
 Gaata chal free,
 Har bandhan de de free yaara
 Thak ke na rukiyo rukiyo,
 Jag ki na suniyo suniyo
 Apani dhun pe udiyo udiyo,
 Dhun pe udi udi udi udiyo
 Udiyo udiyo ud udiyo ud udiyo
 Ud udiyo udiyo ud ja aa ha
