Oh kaaraan unniyan ku naal rakhiye hun jinniyan ku showroom 'ch
Saare audi waale sappaan de hi yaar aine number yaaran de phone 'ch
Oh jitthe kude dikhaaiye demo kadd deyi deyi duniya wemo
Saste veli te ni chaldi mittran di expensive wemo

Oh kachche kha jaange saade naal khedan taan
Ni tu gedhi te ki gall kardi assi peshi te ni launde ainakaan
Ni tu gedhi te ki gall kardi assi peshi te ni launde ainakaan

Straight teri vibe oh kude das number deserve kare
Das filmi akhaan nu dinne aan das koke layi reserve kare
Oh tu payi jad hassan devaan das number tainu chakhan devaan
Dass taan tainu jean 'ch ditte suit paaya te dasso devaan

Jehdi langhe ni rakhange jattiye
Tu saari sau vadda sau laggd di kithon number kaddange jattiye
Tu saari sau vadda sau laggd di kithon number kaddange jattiye

Oh basi ohdi ni dass sidhi chaahidi sidhi duniya taan kar laini ae
Bhavein lokaan naalon ghatt kaddiye par tour saadi vadh rehni ae
Oh naal naal dand ni mil ke launda jatt da loda hath ni aunda
Dekh bathinde aala patlo pick batiaala mil ke launda
