

Chand sitaare yeh  
Nazarein for your eyes only  
Yeh sama yeh badal  
Kajra re for your eyes only  
Jaana duniya ke saath  
Ajoobe for your eyes only  
Heere mote ke khazaano ke  
Lashkaare for your eyes only

Jeena marna kuch bhi karna  
Ab hai mujhe mere yaara  
Saara jahaan mera dil meri jaan  
Mere khwaabon ke rangon  
Se chaahat ka surma bana  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only

Ishq da sona sona sona  
Ras chakle chakle chakle  
Mere sapnon ko teri ankh  
Vich rakhle rakhle rakhle  
Ek nahi sau main jindhari  
Lutaunwa jindhari lutaunwa  
Rab di kasam main mar  
Mar jawan mar mar jawan  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only

Yeh charch jawaani  
Haseena mastani  
Chori se chupke se  
Sunaati hai kahani  
Chupaaye kyon kasam se  
Bata bhi de sanam se

Haan jhooti mooti

BHARAT  
lyrics

Baatein na kar maya  
Ho jaave jaave  
Jaave tol sipaahiya

Love ki baatein dilkash raatein  
Sab kuch hai sab kuch hai  
O jaan-e-jaana tamanna  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only

For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
Nigaahein uthti hain  
Nigaahein jhukti hain  
Tere hi chehra pe yeh  
Jaa ke rukti hain  
Deewani dhadkan hai  
Badi hi uljhan hai

BHARAT  
lyrics

Ho layi lappa layi lappa lara  
Oh rab ne banaaya  
Tujhko rab se pyaara

Kuch na kehna chup hai rehna  
Ab to haan ab to oh  
Meri dil dil jaana  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only

Jeena marna kuch bhi karna  
Ab hai mujhe mere yaara  
Saara jahaan mera dil meri jaan

For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only  
For your eyes only.
