Yeah! Let's beat it

Le sun! Chek-it up  
Yo... Yo...  
Come on

Kyun kone main baithi rani  
Naachegi kya mere saath  
Aankhe teri high karein hain  
Figure teri ka number char

BHARAT  
lyrics

Paas bula le feel karade  
Dance floor pe aaja saath  
Party kar le tension na le  
Johnny hai na tere saath  
Tere saath... Tere saath

Haan tere saath!

Main tera raah takdi aan  
Kadi tainu yaad kardi aan  
Main tera raah takdi aan  
Kadi tainu yaad kardi aan

Teri photo nu seene laa ke  
Kadi muska vi laini aan

Main tera raah takdi aan  
Kade tainu yaad kardi aan  
Main tera raah takdi aan  
Kade tainu yaad kardi aan

Re chod ye pyar vyar

After party karenge hum sab  
Haath pe mere dhar le haath  
Baap tere ko main mana lun  
Aaja kar lein sair sapaat

Mundri tujjh ko main dilwa dun  
Diamond tujh ko main pehna dun  
Queen bana dun chal tu saath

Re chal saath!

Main tera raah  
Main tera raah

Pyar kitta si be intehaan  
Kyun khudagarzi tu kar gaya  
Pyar kitta si be intehaan  
Kyun khudagarzi tu kar gaya

Mere ishq di, mere ishq di  
Mere ishq di na koi seema  
Hun pyar ton vi main dardi aan  
Dardi aan... Dardi aan

Main tera raah takdi aan  
Kade tainu yaad kardi aan  
Main tera raah takdi aan  
Kade tainu yaad kardi aan

Teri photo nu seene laa  
Muska vi leni aa  
Main tera raah takdi aan  
Kade tainu yaad kardi aan

Re love shove ka chakkar chod  
Maze karenge bass din raat

Kuch ni rakha bhavanaon main  
Ho le high tu mere saath

Mere saath

Re kuch ni rakha

Rolls royce ki queen hai tu  
Kyun yahan waqt kare barbaad  
Saari raat hum ride karenge  
Subah karunga ghar pe drop  
Subah karunga ghar pe drop

Main tera raah takdi aan  
Kade tainu yaad kardi aan  
Main tera raah takdi aan  
Kade tainu yaad kardi aan

Ab chod na nakhre yaar  
Chal na

Badhiya!  
Kadak!
