Teri jado deed ho jaave
Saadi billo eid ho jaave
Teri jado deed ho jaave
Saadi billo eid ho jaave

Jado akhan naal maar di ae sainta ni
Gabru freeze ho jaave
Gabru freeze ho jaave

Gabru freeze ho jaave
Gabru freeze ho jaave
Freeze ho jaave

Girl i'm looking at you girl
Just look back to me girl
Don't give me more looks girl
Those looks are killing me girl

I'm dreaming about that you and me are in together
Jado akhan naal maar di ae sainta ni

Gabru freeze ho jaave
Gabru freeze ho jaave
Gabru freeze ho jaave
Gabru freeze ho jaave
Freeze ho jaave

Tu soft sponge jivein sapni di kanj ni
Dress teri sohni jivein morni de khamb ni
Lang mere kol di te charre bukhar ni
Tera intezaar rehnda tere naal pyar ni

Baal je kare blonde kure
Lagdi poori bomb kure
Sippi aale moti ni
Jado hassdi lagde dand kure

Tera dekh le tenu ni dil bhar ke
Dil da mareez ho jaave
Dil da mareez ho jaave

Jado akhan naal maar di ae sainta ni
Gabru freeze ho jaave
Gabru freeze ho jaave
Jado akhan naal maar di ae sainta ni
Gabru freeze

Wait just give me a minute
Don't you feel my heart don't you feel my love
I'm trying to give you girl
Don't you see my spot don't you read my heart
What i'm trying to tell you girl

I have a sweet spot for your g-spot
Don't you wanna feel me girl
You're gonna be addicted and you're never gonna really wanna quit it
So just give me a chance be till my last
I really love you girl

Oh tenu turdi nu tak tak soniye ni
Har koi mureed ho jaave
Har koi mureed ho jaave

Jado akhan naal maar di ae sainta ni
Gabru freeze ho jaave
Gabru freeze ho jaave
Gabru freeze ho jaave
Gabru freeze ho jaave
