

# Fuck Em All Song Lyrics

---

Yeah!

They was praying and i fall  
But all i did was just balls  
Against the laws i stood tall  
Fuck em all fuck em all

They was praying and i fall  
But all i did was just balls  
Against the laws i stood tall  
Fuck em all fuck em all

See, i put my pride to the side  
I'm a be a legend when i die  
How the fuck you gonna know  
I you don't try everything  
I told y'all was all facts no lie

See, we came in for the win not to tie  
But we suited and booted  
'cause my homies stay flying

But all i did was rise  
They gon bury my success but  
The hate is televised  
How many came how many gone

Most of them did me wrong  
I got pain in my heart  
So i put it on a song  
Now my paper sky high

Those places i don't belong  
When it comes to the drama  
I ain't trying to get involved

It's like that's why  
I stay low away from the info  
Sipping on this henny  
But we blowing ou the window

Yeah!

Blowing out the window

They was praying and i fall  
But all i did was just balls  
Against the laws i stood tall  
Fuck em all fuck em all

They was praying and i fall  
But all i did was just balls  
Against the laws i stood tall  
Fuck em all fuck em all

Oh dil da ni maada!

Badle jo dekh ke mahaul  
Fuck em all fuck em all  
Landuan di chakkni ni call  
Fuck em all fuck em all

Badle jo dekh ke mahaul  
Fuck em all fuck em all  
Landuan di chakkni ni call  
Fuck em all fuck em all

Ho jitt ke yakeen saale  
Oh low kar jaande ne  
Fayde fuyde lai ke  
Unfollow kar jaande ne

Kaljug daur ae  
Zubana hoiyan aisiyan  
Thukk thukk aap hi  
Swallow kar jaande ne

Oh pichhon ustaad  
Pehlan fan hunde kaaston  
Madde de janane  
Utton men hunde kaaston

Kari gall utte kyon  
Stand naiyo rakhde  
Bhajjna hi hunda pher  
Sign hunde kaaston

Ho sakda ni thug  
Jo koyi mathe te lakeera ne  
Bhai kehke dhoke  
Saale mariyan zameeran ne

lyrics

Gott laake hon na  
Prove khandani aa  
Paunde aa brand unjh  
Andron taan leeran ne

Ik mera hi banaya  
Kehnda hit haan main geetan ch  
Dooja jhooth kehnda  
Mera tod ni mera beatan ch

Dono kar ditte  
Saale fuck off life chon  
Hit ton ki laina  
Saale dogle ae neetan ch

Scary hours vich  
Ehe bhool jayi na talju  
Chhaddeya jo jhooth
