Hun taaliyan na saukhe billo yaar talde  
Saade boofaran 'ch rehndiyan repeat chalde  
Hun taaliyan na saukhe billo yaar talde  
Saade boofaran 'ch rehndiyan repeat chalde

Kade yammiaan te kade sardool ni  
Tere pichhe gaddiyan de  
Gaddiyan de jatt karde aan phook de fuel ni  
Tere pichhe gaddiyan de gaddiyan de

Ho ujhh tere pichhe lammi waali lai ni  
Kudiye ni par chhaddi ni oh mittran ne hovni  
Dass sheran deve moonh peena dhote balliye  
Ni tu laundi phire mehange mehange so

Yaar mutthon hi karam subhaa da sunida  
Ho aivein khalli baati bande na phool ni  
Tere pichhe gaddiyan de gaddiyan de  
Karde aan phook de fuel  
Tere pichhe gaddiyan de gaddiyan de

Ho tainu mittran ne billo hun paaun de layi  
Ni saare balliye plan hun sikh lae  
Sarak te turdi nu dekh balliye ni  
Kiven engine chon dhua hun nikle

Ho yaar tere pichhe launda phir nit geriyan  
Ho yaar tere pichhe launda phir nit geriyan
