

Full Speed Lyrics

Yeah yeah

When I come through yahi rule
Launde banein cool lekin lagein mujhe fool
Ye saare fazool maine khole sandooq
Puri bars se bhari par ye meri saari loot
Mera kya qasoor may toh make karu moves
Ye rappers sab khorag meri mitay nahi bhook
Lage nahi dhoop mere sarr pe sunroof
May toh bajta on the loop

Mujhe pasand nahi jhoot in saron ki maa ki choot

Yaha saare chatenge dhool par khaate khulenge khoob
Yaha bhagenge launde noob jab nishane jayenge chook
Tere saare shook tujhe mile nahi thook

Jab bahega tera khoon tu jaane nahi ye janoon
Tere kaate dono hath toh uthayega na phone
Tere baray karein baat ab tu beech na la mu
And I aint that rude mera shaat hota mood
Bhai tera real bhai tera funtoosh
I control-z inhe kare undo

Janein tera boss I know where you run to
Karwaye tujhse dance bete meri guns too
Thora cynical hu and I am killing it too
Woh ginte he rahe itne syllables du
Paale nahi sanp na he pale shuntoo
Woh kare teen-paanch or may karu one-two gone

Full speed
Po-po ke naake lage rakhein full speed
Loug sunne aate saare lay le kursi
This is the sound or yahi hai real shit
Real thing real me
Let em know again

Full speed full speed full speed
Ghairi yahan maarein sab full speed full speed full speed
Saare ilaqaon mein full speed full speed full speed
Ye meter hai sau rakhi full speed full speed full speed

Khenchi hui full speed
Mere boys saare taire banein full dheet
Dekhi unch-neeche kaafi maine rastay kathin
Zindagi imtehan leti bhari full sheet
Uh hogi meri full jeet

Verse maange jokhay chahiye hoti full beat
Ye beef kya karenge khau full meat
Tumhe full chhoot karein full cheat uh
Phoonku may toh zaza hone lagi wah-wah kya mera asasa
Inke baap ka bhi baap yani may toh bana dada
Launde banein kartoos chal gayi toh tha-tha
Toh ziada nahi baat kar chal bete
Ghar bethe aati nahi kabhi bhi aqal bete
Dhoondo koi hal bete milenge na phal bete
Khair tu mana aagaye maathe pe jo bal bete
Baat bhi sunu karu darguzar

Mere dil mein jo aya tha woh karguzar
Gali-gali jaane humein jaane har nagar
Rabb saath abhi hoaye na hum darbadar
Mere lough phele har jaga har khabar
Abhi jaha khare hote hum pe har nazar
May toh baat karu seedhi lete hain pakar
Bare jigre yani bara hai sabar

Hum chaar lough saath inko hone lagi uljhan
Sheher pura dekh raha agaya hai gulshan
Phool tore saare maine bana diya gulkand
G-side ghoray pe ye bane meri dulhan
Rap game khaiti meri ghar ki bani hai
Hal kya nikalein inke hal he nahi chalte
Nonstop launde kabhi haath nahi aate
Full speed khenchi hui lough tabhi jalte

Full speed

Po-po ke naake lage rakhein full speed
Loug sunne aate saare lay le kursi
This is the sound or yahi hai real shit
Real thing real me
Let em know again

Uh yeah
May toh blunt cheeru galay jese sulfi sulfi
Mere lund se ho politics or kursi kursi
Buray waqt mein ho shaart saare kalti kalti
Han may inka baap lekin manu apni ghalti ghalti
Kabhi hote jealous kabhi guilty
Sunta hu sabki par karta hu dil ki dil ki
Kon hai idhar asli kon hai idhar parchi
Jalay teri gand jab bhi chale meri marzi marzi
Ab khud he karu sab kuch janu beta sab kuch
Tum karo bakchod nahi
Tera yes-man mere aage mat jhuk

Dunga nahi fucks beta paisa nahi sab kuch sab kuch
Dekhu tera haal ab kar saku sirf afsos afsos
Dil mera saaf maine kiya apna rabb kush
Aata sabke baad phir bhi hote nahi sab khush
Kehne ko ehsaan mere kitnon pe mat pooch mat pooch
Off-side jab lund se aage bhagein

Woh charts pe leke jaate ye chaatein unke jaake
Woh khuwab he banke aate aur khuwab he sirf dikhate
Ye chodte sirf baatein yaha rok le mujhe aake
Koi bhala nahi khuda se koi bara nahi hai iss qala se
Ab aasteen mein jhankein toh sanp nikal ke aate
Industry wale chatein apni izzat apne hath mein
Paar kari hadd toh ab khayega chamatein
Yeah full speed mere lund se hai

May khol deta sirr agar baat hoti ulti
Sidhu wali vibe du beatein bolein mercy
Maru itne punches rappers mangein kharchi
Full speed tera bhai jata full speed
Chheenu tera sab tera takht teri kursi

Ty in the building geeli teri larki
Kehti why so dirty chale meri marzi

Full speed
Po-po ke naake lage rakhein full speed
Loug sunne aate saare lay le kursi
This is the sound or yahi hai real shit
Real thing real me
Let em know again

Full speed full speed full speed
Ghairi yahan maarein sab full speed full speed full speed
Saare ilaqaon mein full speed full speed full speed
Ye meter hai sau rakhi full speed full speed full speed
