BHARAT  
lyrics

Meethi meethi kachhad ji maati reho  
Meetho meetho jijal tujo hiwde mein saad re  
Baso bhale duniya ne koi khode  
Ho tu sada taari bas taari kahvaav re

Chand liyo ugyo re  
Aaj maara chok ma  
Ban mukine haal ramiye sa heldi

Le pari le phundadi

From the soil in this land where my story began  
Kutchi blood got the desert in my hands  
Crossed every ocean but i carried the flame  
Globe on my back still i'm singing my name

They go "lo woh hato aap phundari sand"  
Roots in the soil but the whole world's listening  
Bright lights big stage same girl from the dunes  
Modern in the beat but i'm ancient in the tune

Chand liyo ugyo re
