---

Kptaan

Let's go

Ni tu lagdi bandook utto chaal bemisar  
Sari pind vich aur saar karti kamal  
Jatt choti da shikari jite paundi phire jaal  
Keda like kare bottal vi band seal di

Teri husna di been naal jatt keel di  
Husna di been naal jatt keel di  
Tainu patt laina mitra di akh cheel di  
Tere husana di been naal

Do do do  
Do to pichane chal ruter scane  
Tere agge piche ranga chahe rang mera tail

Har week baat maara jaake thane vich sher  
Vaily tapeya border rafuzi jatt kain

Kptaan mera naam hit listan ch chehra  
Jithe dikh jaandi gaddi mamme pa lainde gehra  
Kade sari vich hunde kade kel giri dera  
Daku gabbar de wangu biba khauf vi bathera

Munda agg di aulaad te tu sikh keel di  
Phire husana di been naal jatt keel di  
Phire husna di been naal jatt keel di  
Tainu patt laina mitra di akh cheel di

Ohda saklo shareef munda vaily thoda thoda  
Khanda kaali kaali feem ik rakheya ae goda  
Chahe pyar chahe vair kar dugne mein moda  
Had todi de jarur par dil na main toda

Aaya maalve to jatt bulle lutda vager  
Laggi mahfil yaara di pattu saare hoye taid  
Pain basement teeka peg lagde flate  
Chal kudiyan ch ture naara kaint banda ghaint

Jado yaar te chalawe paake unchi heal jai  
Teri husana di been naal naal.
