

Galat Karam Lyrics

Maine galat kara ye maine galat kara woh
Chali sadak mila jo bhi maine adab kare bohot
Hai sapna nahi swarg ka na narak ka hai khauf
Kari bohot maara maari galat karam kare bohot

Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss

Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss

Bane kaun si ka kendrick lamar mukh pe lund fek ke maar
Raga manasik bukhaar pasand bandish nahi yaar
Ghume bhand rishte chaar chude fuck rishtedaar
Pite ranjish mein kam jiske andar angaar

Samaan seedha andar tak baadh de
Tu khol de attache maar punches ki maar
Milte bhus bharte launde phir bakki taiyaar
Banati tiggi phir gardish mein dikhte nahi stars

Gaane likhte nahi likhte hum war
Chude beat jaise gashti koi dhande pe yaar
Launde jhande nahi gaadhte ye jhande de baadh
Seedha gaand mein ghusa ke dete sandesa yaar

Dilli 92 ke saathi mere andar tihar ke
Jo bahar the nahi bache seedha upar ki aur
Yahan pe durghatna ghatne ko har din taiyaar
Yahan har din ghutna katke aur battisi bahar

Mera hood sabse hatke mera hood sabse faad
Kari fursat se dhuppad doon chhuttad di faad
Kari pustein pe harkat fir ghar tak ki daud
Rate number plate ladkon ko dushman ki car ke

Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss

Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss

Galat aadmi main usse galat dost
Chhuke collar dekh karu teri hallak choke
Bass hai beat mein aur main hoon thoda troublesome
Bhaiyon se chhod to ghar aake denge behan chod

Bata bhosadi ka kaun bane bahubali
Bharatlyrics.com
Daaru peekar launde hila denge tera raahu shani
Mere tau tode gaanden hai chacha pe bhaida money
Sooraj uttar se ugaya mere saath hoga ravi

Maine gaano se banaya pura chawdi bazaar
Mind bogging se bars career chaudhvi ka chaand
Cheete chaudhary ke khaas to phir bhosadi ke bhaag
Teri morani bana doon phir hum bole chal ab nach

Hum bhai bade huye to dekhi thi gun fight
Bholenath ki sar pe hai parchai
Tera favourite hai aaj ki lunch diet
Pura north harami hai one side

Sapne dekhe to jagoon main har night
Scene murder karun kyun ki marwai
Lad mujhse ja na mere baare padh bhai
Re chain kulii ki main kulii
Jo bhidega usi ki behan chudi
Rap game mein marun main century
Panthers hunting in the sanctuary
Haegi aint puri cause meant to be

Dekho rule karun main ye scene

Main nahi aujla but motherfuckers you know what i mean
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss

Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss

Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Maine karam kare galat karam kare bohot
Diya palat maine takht de raha bharam main nahi boss
