Naatho nuvvunte galatta  
Godave prathi poota  
Preme puduthunte galatta  
Taguve prathi chota

Bharatlyrics.com  
Shaadi ki moolam  
Padadama sarigaa  
Oo taguve cherchunu  
Thiyyani theeram  
Veladama twaraga ilaaga

Naatho nuvvunte galatta  
Godave prathi poota  
Preme puduthunte galatta  
Taguve prathi chota

Nuvvu telugu hamsave  
Telupalevi himsave  
Chipi chandra jwalave  
Kaliki surya chayave

Divyamaina mahimalunna  
Prema deva dhoothave  
Soyagaala sainyamunna  
Prema yukta bhumive

Theguva theguva chupinave  
Magupa jathi ratnama  
Diguvu diguvu chupamake  
Agani thaguna rupama

Vadhili vadhili vellamaake  
Kadhili nannu cheruvaa  
Eduru nuduru undipove  
Nidhula nijaswarupamaa

Raani nenu nuvve naa raja  
Jodi apudu tajaa tajaa  
Kusti aina kougille aina  
Vasthundanta entho majaa

Chinna chinna thappulu

Haddhu meeri nadakalu  
Andagatthe mundara  
Sahajame kadhaa

Muddhu muddhu sikshalu  
Madhuramaina badhalu  
Ponduthunte adhe  
Soukhyam kadhaa

Galatta bhalega  
Galatta ilaaga
