

Meri peheli mohabbat
Meri peheli yeh chahat
Meri itni si hasrat hai
Gale lag na Na Jaa
Teri bahaon mein rahat hai
Teri zulfhon mein jannat hai
Meri itni si hasrat hai
Gale lag na Na Jaa

Sulge sulgen badan hai
Uljein uljein se maaan hai
Badhti jaati hai tan ki Pyaasssss

Bheki bheki hai raatein
Mehki mehki hai saasnein
Rehna rehna tu dil ke paassss

tu agar ho samne Ho Kaise
Mein khud ko rakh pau hosh mein

Darta hai dil khata yeh kar baithe
Mohabbat ke josh mein

Badla badla hai mausam
Peghla peghla hai yowan
Jage jage hai abb eshaas

Bheki bheki hai raatein
Mehki mehki hai saasnein
Rehna rehna tu dil ke paassss

Meri jazbon ki jo bhi halat hai
Woh samjh lo na bin kahe
ho In labon se kahon
Jo armaan hai barso yeh honth chup rahe

Meri jazbon ki jo bhi halat hai

Woh samjh lo na bin kahe
In labon se kahon
Jo armaan hai barso yeh honth chup rahe

Thandi thandi agan hain
Meethi meethi chubhan hai
Judti judti hai tujhse aaaassss

Bheki bheki hai raatein
Mehki mehki hai saasnein
Rehna rehna tu dil ke paassss

Teri bahaon mein rahat hai
Teri zulfhon mein jannat hai
Meri itni si hasrat hai
Gale lag na Na Jaa
