

You know i need your lovin every day, girl
There's never been a minute that
I don't think about you
Cause everything about you girl is major

Tu nakhre naa kar yu chhad ke tu na ja
Tu har vele kehndi tu down down for me
Ni mere jeha varga labhke dikha ja, baby tu

Ke ainve tainu miliya mudke tu aaja
Tu har vele kehndi se down down for me
Ni mere jeha varga labhke dakaja
Baby tu...

Ni kudiye bhul naa jaa
Saade pyaar diyaan mulaqaata
Ni kudiye bhul jaawan
Teriyaan galtiya nu...

Tere naal kittiya jo
Jaanke ni hoyaa
Tenu main samjhawan
Meriya ghaltiya nu tu bhul ja

We running out of love i need a lifeline
Cause all these other women
They ain't nothing around you
You never said you would but for the last time

Tu nakhre na kar yu chhad ke tu na ja
Tu har vele kehndi tu down down for me
Ni mere jeha varga labhke dikha jaa
Baby tu...

Ke ainve tenu miliya murke tu aaja
Tu har vele kehndi si down down for me
Ni mere jaya varga labhke dikha jaa
Baby tu...

Ni kudiye bhul naa jaa
Saade pyaar diyaan mulaqaata

Ni kudiye bhul jaawan
Teriyaan galtiya nu...

Tere naal kittiya jo

Before we in battle (girl)
Before its outta control
And you start a war
But can we try it again?

Cause i know i've been foolish
With all these girls on my phone
But you took my heart
And you threw it away..
