

Gammunundadhe Lyrics

Manasanthaa nee mabbe kammukunnadhe
Mulukalle nee choope gammunundadhe
Are gammunundadhe

Pagalanthaa nee gaale allukunnadhe
Padukunte nee gole pallavainadhe

Gunde ganta kottukunnadhe
Prema sentu kottukunnadhe
Theepi manta thattukunnadhe
Kottukunnadhe thattukunnadhe

Cheruvaithe bettugunnadhe
Dhooramunte thittukunnadhe
Navvukuntoo nettuthunnadhe
Pilla sogase fittugunnadhe

Thaladhinde yepudo visireshaane
Nidharosthe nee ollo ne vaalanaa
Gorinte giravaateshaa nene
Yerupekkaa siggultho nee pakkana

Tholi kode koosindhaa
Ee nidhare podhaa
Ee kode thodunte
