Gamyaaane chedhindhe  
Sthairyamtho padhaa  
Dhairyaanne sandinchey  
Vachindho aapadhaa

Kaalakootamaina ee teepi sparsha  
Amruthamga maare daarundhaa eeshaa  
Thanuvu neelamauthu peduthunte ghosha  
Jeevamunna chaavu pondhindhaa shwaasa

Bethaala prashnedho vaalindhante  
Badhulichhi teeraali kaadhaa  
Lonunna bhayamantu povaalante  
Daagunna sathyaanni vethaakantaa

Cheyuthanichhe aashe unte  
Aa gaami raadha neekai  
Gaayaanni daati cheraalante  
Ninne nuvvu gaamivai

Gamyaaane chedhindhe  
Sthairyamtho padhaa  
Dhairyaanne sandinchey  
Vachindho aapadhaa

Nelaloki ninnu neduthunte shokam  
Choosi choodanatte untundi lokam  
Jaruguthondhi nithya ekaaki yuddham

Nuvvu thappa neeku emundhi sainyaam

Kanneellu niluvellaa munchesthunnaa  
Edhureedhi cheraali oddu  
Dhukhaalu nee chuttu kanchesthunna  
Edhirinche teguvunte kaadhoi addu

Cheyuthanichhe aashe unte  
Aa gaami raadha neekai  
Gaayaanni daati cheraalante  
Ninne nuvvu gaamivai

Gamyanne chedhindhe  
Sthairyamtho padhaa  
Dhairyaanne sandinchey  
Vachindho aapadhaa

Gamyanne chedhindhe  
Sthairyamtho padhaa  
Dhairyaanne sandinchey  
Vachindho aapadhaa
