

Gangsta Loop Lyrics

Ho jithe pind pair billo othe paindi kook ae
Kithe rakhhu naar sirr modde te bandook ae
Chandigarh shehar ch gaddi aa laggi lehar
Likhe bhaini aala khan full gangsta loop ae

Ho sahaan bigde rakane paake nath
Ni baramde vich taadke rakhhe aa

Ho kandha utte kuttiyan te kamm sirre
Mitran ne chaadke rakhhe aa
Khutte kukkad ladaku kehda sadde wall jhaaku

Anti taadke rakhhe aa

Ho gaddi jaandi aa hawa ch dekh uddi
Tere lakk wangu khaandi aa hulaare
Ho ditti dheel te jo jashan manonde
Saare sittne main dharti te naare

Rehnda mera दौरा दांग ते
Oh aape lainda hisaab assi jihde te ni chaddi doriyan
Ohne mod jehde tod'de aa taare
Bas yaara ne tah addi hi todian

Ho jadd pehla hi royi aa ehda entry hoyi aa
Saddi halle kithe peak aa
Ho jihnu bhaaldi aa bebe khore takrugi kihde
Oss din di udeek ae

Ho tu ni sukhle patase billo khaasse parteek

Ho chunni sirr te tikoni bas sikh
Baale effort'an di load ni rakane

Ehe bhaande aa khali ni tahi tah jyada shor ae
Launde jo paar oh rakane bande hor ae
Hikk zor naal jinna badleya daur
Kitho hussan'an di rakhde aa gaur

Ho jithe paunde pair ni karonde hands up ae
Jinne mere naal saare koddi aale sapp ae
Chandigarh shehar ch karonde raati kehar
Dekhi battu din chadhde nu jaane pind tapp ae

Tainu pehla vi mai dasseya si
Chah te leet dono kaadhke rakhheya

Ho kandha utte kuttiyan te kamm sirre
Mitran ne chaadke rakhhe aa
Khutte kukkad ladaku kehda sadde wall jhaaku
Anti taadke rakhhe aa

Ni nehde tede vi ni jehde rahe sochne
Ke mere toh wakeef bade aa

Ajj tak meri ohde naal mili na ni matt

Ho jivein agg nu haawa di hundi load

Ho kari kitta ni drug meri birti alag
Nasha teeji da hi bhaut aa
Ho baadhu kara na debate
Face bajje 8/8 bol saah hi dinde rok ae
