

Gangster gangster gangster
Gangster

Bhagwan ne banaya aadami
Aur aadami ne gangster
Aur gangster ka khatama
Karane ke waste usane raifal uthayi
Takat badhayi aur takat badhakar
Gangster gangster gangster

Usaka josh dekh kar
Log saath ho liye
Khuda ke khudai ke
Kitane haath ho liye
Ha ha kar machega ke
Hogi ladayi, aisi ladayi
Bhayankar ladayi
Ke jitegi sachayi

Jab bhi julm badhega
Julm se takarayega
Khunkhar banega

Khun bhi bahayega
Aisi chal chalega
Koi samaj nahi payega
Aur gangster ko martaneko
Gangster banjayega
Gangster banjayega
Gangster banjayega

Into ka jawab pathar haye
Goli ka jawab goli
Chalni karungi seena
Khailungi khun ki holi
Ganster ban jayenge ladke
Mitaynge zulmo sitam ke
Nisha aaye hum aaye mil ke
Hum aaye aaye hum aaye mil ke
Hum aaye

Aankho mein shole hai dil mein
Sharare hai badle ka dil mein
Tufa aaye hum aaye
