Ve chandigarh ton khichh dinne nitt car tu delhi nu  
Aise kehte kamm hunde tainu wadde vaily nu

Ho kaisa combination hai  
Ki ehde naal relation hai  
Ve kaisa combination hai  
Thodde nitt di celebration hai

Athan de mittar'an de ladh'di

Ho garam taseer di daaru paundi  
Daaru paundi  
Ho garam taseer di daaru paundi  
Thand kaalje nu  
Garam taseer di daaru paundi

Ve dede car di chaabi  
Kyon tu hoke aaya sharabi  
Ve main maafian de ke akk gayi  
Kyon tu kardae nitt kharabi

Mere yaaran di tu bhabhi  
Ladh ke kar lae rang gulaabi  
Jadd angreji aali laa ke  
English bole jatt punjabi

Eh gallan roj diyan hi  
Toll hoyian teriyaan  
Hoyian teriyaan

Hun karda rehna mere naal
