

Re man dekhe tera
Tanne pyar karoon bas tera
Jo chhori aaja lipat le ab
Yo don khada tera

Tanne dekh ke bole tung dung dung
Dil mara darling tung dung dung
Haaye tanne dekh ke bole tung dung dung
Dil mara darling tung dung dung
Tu jab jab saamne aave
Mhara temperature badh jaave
Man baawada ho jaave

Manne dekh tu muskaave
Dil garden garden gave
Manne paani bhi chadh jaave
Dil garden garden gave
Manne dekh tu muskaave
Dil garden garden gave
Manne paani bhi chadh jaave
Dil garden garden gave

Jo chhori aaja lipat le ab
Yo don khada tera

Yo don khada tera
Ho mehlon jaise kothi maari
Do baje baap se mara
Ek chhori ne date liya to
Date doon na main dobara
Ho mehlon jaise kothi maari
Do baje baap se mara
Ek chhori ne date liya to
Date doon na main dobara
Ghadi laakhon deayein te baayein
Par tu jab saamne aave
Man lattu ho jave

Manne dekh tu muskaave
Dil garden garden gave
Manne paani bhi chadh jaave
Dil garden garden gave
Manne dekh tu muskaave
Dil garden garden gave
Manne paani bhi chadh jaave
Dil garden garden gave

Tanne love ka keeda soongh gaya
Yo don kahin pe ghoom gaya
Yeh botal votal pi jata
Aaj paani mein hi jhoom gaya
Yeh ghodi gaadi khel raha
Aaj romeo banke leta hai
Yeh baat kahin pe chhapwa do
Yo majnu ka hi beta hai
Beta hai, beta hai, beta hai

Ho karle manne pankha jhele
Neta paach chheh daudein
Bollywood ke hero saare
Manne hero bolein
Ha ha ha, le sun le chhori

Ho karle manne pankha jhele
Neta paach chheh daudein
Bollywood ke hero saare
Manne hero bolein
Manne bullet bomb bulaave
Par tu jab saamne aave
Bomb fuski ho jaave

Manne dekh tu muskaave
Dil garden garden gave
Manne paani bhi chadh jaave
Dil garden garden gave
Manne dekh tu muskaave
Dil garden garden gave
Manne paani bhi chadh jaave
