

Upar se khamosh hai lekin
Andar ik muskaan liye
Upar se khamosh hai lekin
Andar ik muskaan liye...

Kahaan se aayi kahaan chali hai
Husn ki bhari dukaan liye
Sheher ke ladke...
Sheher ke ladke iske peeche
Toot gaye badaam se

Gayee kaam se yeh ladki toh
Gayee kaam se...
Gayee kaam se yeh ladki toh
Gayee kaam se...
Gayee kaam se yeh ladki toh
Gayee kaam se...
Gayee kaam se yeh ladki toh
Gayee kaam se...

Geet ishqiya sunti hai ye
Khwab reshmi bunti hai ye
Aur khayalon mein shehzada
Roz naya ek chunti hai ye

Geet ishqiya sunti hai ye
Khwab reshmi bunti hai ye
Aur khayalon mein shehzada
Roz naya ek chunti hai ye

Shehzaade...
Shehzaade...

Copy ke pichle...
Copy ke pichle panne pe
Likhti rehti naam se

Gayi kaam se yeh ladki toh
Gayi kaam se...
Gayi kaam se yeh ladki toh
Gayi kaam se...

Gayi kaam se...

O.. aane waala aayega
Mere liye gaayega
O chandani chandani
Phoolon waale baagh mein
Chaahaton ki aag seene mein
Khwahishein bhari woh jeene mein

Bole tu hoor hai
Kyun itni door hai
Lag ja gale dheere dheere
Aaj milein dheere dheere
Lag ja gale dheere dheere
