Maguvanthe bigidappide

Nanna bahudinagala aase
Egederida haage
Dina garigedaride kanasu
Ne bali iralu heege

Janumaku jothe iro
Jeevada haage
Theeradha bayakeidhu
Mugiyada selethavidhu

Bhoomi bayasi baruva
Malleya haniya preethi
Kadala hooduki baruva
Nadhiya aleya reethi

Padake nilukada
Sapta swaradha selethavu
Nanagu ninagu
Dorethaa prethiye daivavu

Rekke bichi haaru
Nanna hrudaya baanu
Meeninante eeju
Neeru ega naanu

Alidhu hodharu
Endigu alisalagada
Amara madhura
Preethi namadhu
Endigu
