

Na bane rahath  
Chal ke bhi jahan  
Na bane khaak  
Yaadon ke nishaan  
Ye karam uska hai  
Dekho aabru  
Khud kar pehchano  
Ye hai gham e rooh

Na koi jaat  
Na koi hai mera  
Kya mera naam  
Aur kya tera hua  
Chale gaye tum  
Kisko pukaru  
Mudkar to dekho  
Ye hai gham e rooh

Kyun hai bekaabu  
Ye jo jala  
Kyun dar dar bhatke  
Tum socho bhala  
Koyla bhi tap tap ke  
Sukha yahan  
Thokre mann mein  
Rokha sama  
Maano maano jaano jaano

Na bane rahath  
Chal ke bhi jahan  
Na bane khaak  
Yaadon ke nishaan  
Muskaaye dekho aabru  
Khud kar pehchano  
Ye hai gham e rooh  
Gham e rooh gham e rooh  
Gham e rooh gham e rooh  
Gham e rooh gham e rooh  
Chale gaye tum kisko pukaru  
Mudkar to dekho
