

Ghanta tera pyaar oh baby
Ghanta tera pyaar

Ghanta tera pyaar kudiya
Ghanta tera pyaar

Tu fashion ka bazaar
Ghanta tera pyaar
Jhute waadon ka sansaar
Ghanta tera pyaar
O tere nakhre hai haazar
Ghanta tera pyaar
Tere emotional hai aatyachar
Ghanta tera pyaar

Ghanta tera pyaar oh baby
Ghanta tera pyaar

Ghanta tera pyaar kudiya
Ghanta tera pyaar

Tu thi kudi pataka
Tere se dil ye laga
Per tune chot di jo mar gaya main saala
Tu thi meri raani main tha tera raja
Aur pyaar tha jo uska to ab baj gaya baja

Ghanta tera pyaar oh baby
Ghanta tera pyaar

Ghanta tera pyaar kudiya
Ghanta tera pyaar

O baby..oh jaanu
Phir main bekabu

Main tujhse mangu hudy tight
Tu bole baby candle light
Fir teri lambi list bane
Main kaara shopping day & night
Tu mujhse use kre phir

BHARAT
lyrics

Tujja munda choose kare
Usko bhi tu chos chos ke
Moke pake loose kare
Ab mera hona future bright
Tenison na le tu bye my sight
Sidha sidha bolu to..
Chal bhaag teri maa ka fight

Ghanta tera pyaar kudiya
Ghanta tera pyaar

O baby..oh jaanu
Fir main bekabu

Dekh lo inko ek baar to bhao
Ye aisa khati hai
Attitude to aise jaise
Apne garden main ugati hai
Londo ko satati hai aage piche nachati hai
Fir mare ye purpose to yahi sunati hai
Opps mane to is baare main socha nahi
I just friends..
Oh please humne kiss hi to kiya tha

Aur mamu sabse khatrnak to ye
Listen main kisi aur se pyar krti hu ok

Toh ghanta mere sath kya kr rahi thi
Aisa gol gol gol gol ye ghumati hai
Ek se inka jee nahi bharta sakdo patati hai
Ab kardo inko bye shaye
Dekho apne daye baye
Pyar mohabbat dekho hai
Duzzi dhundo mauka hai

Paglu sweetu jaanu baby

Jaane kya kya naam diye
Duniya bhar ke papad belle
Kese kese kam kiye
Are kam se meko yaad aaye

Are kam hi toh karna tha
Per tune meri leli uh
Tujhse bhi to bachna tha

Kapde latthe motar gadi
Mane tujhko gift kiye
Per tune na jaane saali
Kitne kitne lift kiye
Yaaron main kya jaane do
Second hand ko jaane do
Maja toh tab aaya jab sabne tereko
Shift kiya.
